

Risk Disclosure (Ultra-Pro)

1. Total Loss Risk

Digital assets may lose all value. Users must be prepared for total financial loss.

2. Regulatory Uncertainty

Regulatory changes may impact legality, usability, or value of the Platform.

3. Smart Contract Risk

Bugs, exploits, or failures may occur in smart contracts.

4. Liquidity Risk

Markets may be illiquid, preventing sale or exchange of tokens.

5. Operational Risk

The project may be delayed, modified, or discontinued at any time.

6. No Financial Advice

Nothing provided constitutes legal, financial, or investment advice.
